Data Collection Sheet (DCS)

Phase 1: Customisation

	Item	What it is	Format Required	Requirements (Size & Resolution)
1	Brand colour palette (OR styling sheet) Primary, secondary and background colours (in hex)			
2	App icon	Appears on the handset. It is the icon which you select to open the app on your phone.	1 x SVG 1 x PNG	Your app icon must be up to 1 MB, 512 px by 512 px
3	Splash screen logo	Appears on the splash screen.	1 x SVG 1 x PNG	The splash screen appears when a user opens the app for the first time. Due to iOS and Android UI restrictions for all platforms (Please see next slide for more info), to ensure the splash screen logo should be easy to fit in a square box.
4	Login page logo	Logo that appears when app has loaded and user has not signed in	1 x SVG 1 x PNG	Logo must be able to fit neatly in centre of screen and look good on top of the login page wallpaper
5	Login page wallpaper	Background that appears when app has loaded and user has not signed in	1 x SVG 1 x PNG	High resolution with aspect ratio of 9:16 (Please see next slide for backgrounds work best for, no watercolor patterns)
