

A stylized white pelican logo is positioned on the left side of the page. The logo is composed of several geometric shapes: a large circle for the head, a long, curved beak, and a large, inverted triangle for the body and tail. The background is a blue gradient that transitions from a lighter blue at the top to a darker blue at the bottom.

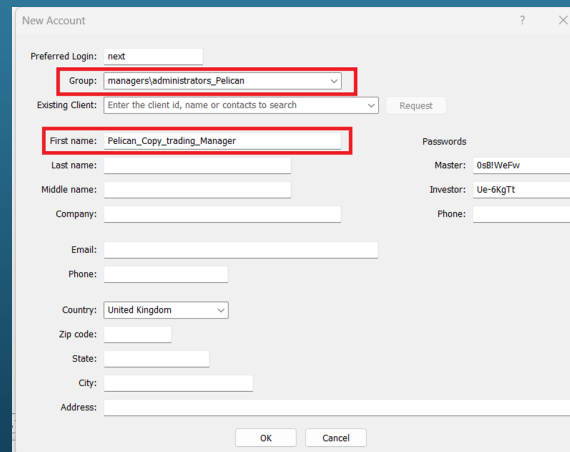

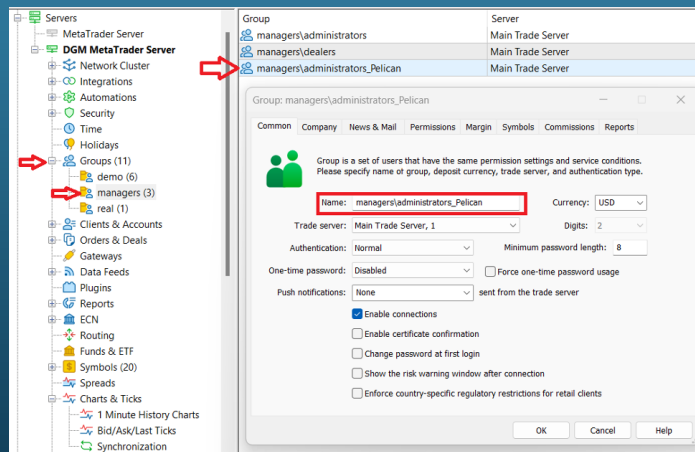

**Pelican Network**

MetaTrader5 Connection Sheet

1

### Create a New Admin Manager Group:

New Manager admin group with the name: Manager/Administrator\_Pelican. Each MT5 manager you will provide for the Pelican Copy Trading system must be under the Manager admin group (Manager\Administrator\_Pelican)

2

## Manager\Administrator \_Pelican Group Settings

In the **Common** section, please disable the  
**Show the risk warning window after connection** option

Group: managers/administrators\_Pelican

Common Company News & Mail Permissions Margin Symbols Commissions Reports

Name: managers/administrators\_Pelican Currency: USD

Trade server: Main Trade Server, 1 Digits: 2

Authentication: Normal Minimum password length: 8

One-time password: Disabled ☐ Force one-time password usage

Push notifications: None sent from the trade server

☒ Enable connections

☐ Enable certificate confirmation

☐ Change password at first login

☐ Show the risk warning window after connection

☐ Enforce country-specific regulatory restrictions for retail clients

OK Cancel Help

In the **Symbol** section, we add ONLY tradable and suffix groups symbols related to the real groups that we want to be under the Pelican Copy Trading system.  
Note: do **NOT** add non-tradable symbols, disabled symbols, or suffix group symbols non-related to the Pelican Copy Trading system.  
Because on the market watch of the provided Pelican MT5 manager, we want only the above-mentioned symbols to be available.

Group: managers/administrators\_Pelican

Common Company News & Mail Permissions Margin Symbols Commissions Reports

Please set up individual parameters of symbols trade for the group.

Symbol	Spread	Trade
